Bring a Friend – Recommend HSBA and benefit

Terms and Conditions of the “Bring a Friend” Referral Programme

- Currently enrolled HSBA students and HSBA alumni may take part in the “Bring a Friend” referral programme.
- We’d like to reward you for your recommendation: for every successful referral of a new Master’s student, the person making the referral will receive a reward of €500.
The reward will be paid once the referred person has started their Master’s degree and paid at least 50% of the total tuition fees to HSBA.
- A referral qualifies for a reward if the referred person became aware of an HSBA Master’s degree programme through the personal recommendation, had not yet been registered in HSBA’s application process at the time of the referral, and is not and has never been an HSBA student.
- To attribute the referral, the referred person must enter the full name of the person making the referral in HSBA’s online application portal. Referrals cannot generally be attributed retrospectively.
- Self-referrals and referrals that are attributed retrospectively or cannot be verified are not eligible for a reward.
- Taking part in the programme has no bearing on the referred person’s admission or enrolment. HSBA may change or discontinue the programme for future referrals. The terms and conditions published at the time of the referral will apply.

We’d be delighted if you recommended HSBA to others!
